

## Cloud DX Named by *Inc.* Magazine as One of the Fastest-Growing Private Companies in the New York City Metro Region

BROOKLYN, NY - March 16, 2021 – In response to its rapid growth and industry demand for its virtual care and telehealth solutions, [Cloud DX](#) has been ranked No.118 on the *Inc.* 5000 Regionals list of fastest-growing private companies in the NY Metro.

"It is an honor to be named to *Inc.*'s prestigious list of the most successful companies within the NYC metro region," said Robert Kaul, co-founder and CEO of Cloud DX. "Cloud DX set out to create the world's most effective, affordable and easy to use digital solutions for virtual care, fully connected into modern healthcare systems to deliver superior results and improved patient outcomes, at lower costs. Our rapid and consistent growth reflects the strong market need for virtual health innovations and is a testament to our employees, partners and to the healthcare providers we serve in delivering on the promise of better healthcare through virtual care."

Born of the annual *Inc.* 5000 franchise, this regional list represents a unique look at the most successful companies within the NYC area economy's most dynamic segment—its independent small businesses. The companies on this list, including Cloud DX, show impressive rates of growth across all industries in the New York City area. Between 2017 and 2019, these 250 private companies had an average growth rate of 214 percent and in 2019 alone, they employed more than 48,000 people and added nearly \$9 billion to the NYC Metro area economy. Companies based in Stamford, Connecticut, New York City, and central New Jersey brought in the highest revenue overall.

"This list proves the power of companies in the New York City area no matter the industry," says *Inc.* editor-in-chief Scott Omelianuk. "The impressive revenues and growth rates prove the insight and diligence of CEOs and that these businesses are here to stay."
